

Dear staff and students,

Please support HALO at Happy Park!

HALO (Shine Bright. Reach Beyond) is initiated by 5 HKU students and a project which aims to **promote social inclusion and to eliminate the barrier between the public and the disabled**. We believe that people who are visually impaired possess the same ability as the abled people in expression, even with a more delicate perception.

To fulfill our aims, we organized photo-taking trips to a group of visually impaired teenagers from Ebenezer School. By the assistance of HKU 81 inclusion fund, we are now going to display their photos in a round-university exhibition!

Our first stop will be in HKU Happy Park together with a **kick-off ceremony**.

Detail are as follows:

Date: 07/04/2014 (Monday)

Time: 12.30 – 14.30

Venue: Sun Yat-sen place (Happy Park)

致各位職員及同學：

有沒有試過看世界不用看，用心？透過你的觸覺，用耳聽、用鼻嗅、用手摸？生活在這聲色犬馬，多姿多彩的世代中，失去視力，世界的美麗好像頓時黯然失色？

「曦。路」意指通往「晨曦的道路」。我們認為攝影能為視障人士引進一線光，展現其世界並非全然黑暗，讓大眾知道失去視覺的世界仍然充滿色彩。本計劃由五位香港大學學生發起，**期望透過展出由視障孩童所拍攝的照片，讓大眾從視障者的角度欣賞世界，憑此推動社會傷健共融。**

本計劃招募了六位來自心光學校的視障同學，在義工陪同下他們各自到了喜愛的地方拍照。現在，他們的照片將於「**曦路巡迴大專院校展覽**」中展出。巡迴展覽**第一站**將是**香港大學**。在此之前，「曦。路」誠意邀請各位出席**啓動禮**，活動詳情如下：
