Dear Students,

Clinton Global Initiative at the Clinton Foundation is looking for student innovators who are committed to social change to apply to join President Clinton at the Clinton Global Initiative University (CGI U) at the University of Chicago from October 19-21.

Building on the successful model of the Clinton Global Initiative, President Clinton launched the Clinton Global Initiative University (CGI U) in 2007 to engage the next generation of leaders on college campuses around the world. Each year, CGI U hosts a meeting where students, university representatives, topic experts, and celebrities come together to discuss and develop innovative solutions to pressing global challenges. Students create their own Commitments to Action that address issues on campus, in local communities, or around the world. The online application is now open at cgiu.org/apply. The deadline for students to apply for this exciting opportunity is Monday, April 23.

At the same time, interested applicants will need HKU's nomination. Please fill in [online application](#) by **Apr 16 (Mon)**. Applicants who are successfully accepted will receive the Letter of

Acceptance (LoA) from the organizer. For more information please visit <https://www.clintonfoundation.org/clinton-global-initiative/meetings/cgi-university>. If there is any enquiry, write in to cgiu.applicant@clintonglobalinitiative.org.
