

Dear students,

Organized by the Vice President / Pro-Vice Chancellor (Global) Office, the Sustainability Office and the Centre of Development and Resources for Students (CEDARS), **The Global Challenges, Local Solutions: Changing Lives for Good** competition is now open.

Global challenges such as poverty, hunger, healthy ageing, sustainable cities, clean energy, equality, and climate are felt in our daily lives at home. Here is your opportunity to offer innovative solutions to change lives for good, here in Hong Kong and around the world. This global student-centred competition is your chance to make a difference: Think Global, Act Local.

Who can participate?

This competition is open to all students: undergraduate and postgraduate, from any faculty. We encourage teams to bring together individuals from diverse backgrounds or areas of study, at the same time collaborating with students from top Mainland universities. Each team must have five students.

Awards and Prizes

The Winning Team will receive an expense-paid internship organized by CECA Cross-border Environment Concern Association or Friends of the Earth (HK) and a cash prize of \$10,000 (HKD).

Apply

To take part in the "Global Challenges, Local Solutions: Changing Lives for Good", please complete the Application Form and submit your application [here](#). For more details, please visit the Competition page at <http://wp2.cedars.hku.hk/wcc-hku/>.
