Dear Students and Colleagues,

HKU students have long shared the mission of the University to create and construct new knowledge, to develop beyond their own discipline and to excel in the community. Hundreds of students were awarded for their outstanding achievements in external competitions in the year 2013-14. As a part of the 17th Prize Presentation Ceremony organised by the Centre of Development and Resources for Students (CEDARS), a "Share Their Joy and Pride" Exhibition will feature stories of students who won external awards. More winning stories can be found on CEDARS- Student Achievements facebook page [www.facebook.com/hkustudents.award](http://www.facebook.com/hkustudents.award). "Like" the page and send your congratulations to the winners!

About Prize Presentation Ceremony

Every year, the Vice-Chancellor hosts a Prize Presentation Ceremony for students winning external competitions. This annual ceremony is a golden opportunity to honour and celebrate the outstanding achievements of our best students, and to inspire the university community to learn from their dedication to excellence. At the Ceremony, awardees will be commended by the Vice-Chancellor and attend a high table dinner to celebrate their achievements with their teachers, friends and family.

We look forward to seeing you at the exhibition.
