

Recruitment of Student Induction Instructors for CEDARS Non-Academic Induction Programme 2020

Dear students,

Hope you are enjoying your summer break. Interested in contributing to the success of first year experience for new students? We are looking for a group of motivated Student Induction Instructors (SII) to mentor the new students. We believe that your colourful HKU learning experience will benefit many new students and help them to adjust to the HKU learning environment.

This year, the programme highlights are as follows:

21 to 25 August	Speed-Friending (via Zoom)
27 Aug (Thu)	Goal Setting (via Zoom)
28 Aug (Fri)	Inspirational Activities (in person or via Zoom)
29 Aug (Sat)	High Table (in person at Loke Yew Hall)
Early September	University Adjustment IG Challenge

Role of SII

Being an SII, you will serve as a leader and a peer mentor for new students. This year, most of you will be leading a group of 10 new students by yourself and your primary role is as follows:

- (a) Leader of a group of 10 new students to participate in a series of CEDARS induction activities;
- (b) Facilitator in the goal setting activities and interactive activities in High Table;
- (c) Moderator of a dialogue session between speakers and your teammates in the 'Inspirational Activities';
- (d) Act as the Content Specialist in the 'University Adjustment IG Challenge'; and
- (e) Peer mentor of your teammates from September to December 2020.

Time Commitment

This year, most activities of the CEDARS Induction Programme will be held virtually via zoom. Though you will only be required to facilitate and moderate your own group's goal setting session and inspirational activities session, we will only inform you of your group's assigned timeslots after 24 August. We therefore require your full commitment of the following timeslots at this stage:

SII Training Session (via zoom)	18 August pm or 19 August am
Goal Setting Session (via zoom)	27 August am or pm
