

Dear **local and non-local students**,

You are cordially invited to participate in a UGC-funded survey study of local and non-local students' psychological and sociocultural adaptation in Hong Kong, which aims at improving and enhancing their integration, communication, and study experience in Hong Kong.

The survey should take about **10-15 minutes** to complete. Your responses are **VERY IMPORTANT** to our project and will be used to make recommendations on how to help you and future students adapt to university life in Hong Kong. All the survey responses will be kept strictly confidential.

Upon completion of the survey, your email will be entered into a lucky draw to **win a coupon worth HK\$50!**
