AUTHENTIC LOVE

Authentic Love is a university-based organization that promotes pro-life and family values through seminars, formation, resources, social media and other platforms.

LOVE & SEX: an interfaith dialogue on chastity and sexual ethics

Objectives

• To equip students with knowledge to uphold the institution of marriage, family, and the integrity of sex

• To raise awareness about pro-life issues and the value of all human life from conception until natural death

MEMBER RECRUITMENT

Join Hong Kong's first student based pro-life and family group!

• Chastity - what's the point?
• What can we learn about love and sex from major religious traditions?
