

## **"Gifts to the Gifted 2017" Student Mentor Recruitment**

### **About the Program:**

"Gifts to the Gifted" aims to provide hands-on experience for HKU students as peer mentors to coach gifted students.

In the project, each gifted student will be paired with a peer mentor. The peer mentor will play the roles of a mentor, an assistant and a friend to provide his/her student with guidance and inspiration in different tasks and workshops.

### **Highlight of the Program:**

1. Hands-on experience of working with children
2. Unique experience of supervising a hackathon
3. Networking with students from different faculties
