Eat To-Gather is calling for local and non-local students to dine for cultural exchange!

Dear Students,

You are invited to join the Eat To-Gather Programme 2018-19 to enjoy the cultural exchange experience beyond a dining table!

Eating together as a family is highly valued in the Chinese culture. By connecting non-local students with local students and local host families (non-residential), Eat To-Gather aims to facilitate non-local students’ adaptation to life in Hong Kong and promote cultural exchange and integration. In the Programme, participants will:

- Enjoy at least one homey meal in a host’s home to have an authentic taste of family life in Hong Kong;
- Take part in a variety of family gatherings/activities arranged by host families or CEDARS; and
- Have loads of fun!

Local students can apply to be either “Foodmates” or “Hosts”, while non-local students are invited to join as “Non-local Pals”. Each group will consist of 1 local foodmate, 1 to 2 non-local pal(s) and 1 host family.

Apply on or before 20 January 2019 (Sun)! For details, please visit cedars.hku.hk/eat-to-gather. Please also like our Facebook page (Eat To-Gather) to stay tuned with our updates.

For enquiries, please email to: eat-to-gather@cedars.hku.hk. We look forward to your participation and support!
