Dear Students,

The United Nations Framework Convention on Climate Change (COP21) will be held in Paris from 30 November to 11 December 2015. COP21 will be a crucial conference, as it needs to achieve a new international agreement on the climate, applicable to all countries, with the aim of keeping global warming below 2°C.

The University of Hong Kong is privileged to participate in the COP21 as an **observer organisation**. We are allowed to send two delegates to the conference. We are now looking for **two student delegates** who:

- Have a good command of English;
- Are enthusiastic about environmental and broader sustainability issues; and
- Can serve as a HKU student ambassador at the COP21.

All student delegates are expected to be self-financing and make their own arrangements. They are required to conduct a sharing session with HKU community upon return. Interested and committed students may apply on-line at <http://wp.cedars.hku.hk/form/node/175> on or before Friday, **September 11, 2015**. Shortlisted applicants will be invited to attend a selection interview by the end of September.

If you have any queries, please feel free to contact us at [cedars-programmes@hku.hk](mailto:cedars-programmes@hku.hk).

Thank you very much.

Yours sincerely,  
Michele Fok (Ms)  
Senior Student Advising Officer (Student Development)
