of Knowles Building

### Donate Used Books For A Good Cause.

The Government-registered NGO Read-Cycling 書送快樂 is collecting used books for charity sale at our annual community-involvement events Bring A Book & Share. All proceeds, after deduction of necessary expenses, will be used to promote reading culture in local community.

WE COLLECT: Used books of >70% new in condition, with no broken pages, written notes or obvious wrinkles. Due to limited resources, WE DO NOT ACCEPT: textbooks, technical reference books, tourist guidebooks, dictionaries, magazines/ periodicals, books in simplified Chinese, Bible, Buddhist Scripture and other religious literature and books that are marked "not for resale".

## Used Book Collection Campaign at HKU - Donate Used Books to Read-Cycling!

Dear Students and Colleagues,

If you love books, give them away. Read-Cycling 書送快樂 and the Center of Development and Resources for Students will jointly organise a book collection campaign at HKU, as part of [SERVICE 100 Fiesta](#), again this year from **27 – 31 October , 2014** on **G/F of Knowles Building** (outside glass door).

Used books of over 70% new in condition, with no broken pages, written notes or obvious wrinkles are welcome. Due to limited resources, textbooks, technical reference books and magazines will **not** be accepted.

Read-Cycling is a government-registered NGO that aims at promoting the sharing and joy of reading, as well as the concept of knowledge-based society by encouraging the community to reach out for different domains of knowledge and interests through reading. All books collected will be re-sold at its annual community-involvement event Bring A Book & Share. All proceeds, after deduction of necessary expenses, will be used to promote reading culture in local community.

For details about Read-Cycling, please visit its website: [www.read-cycling.org](http://www.read-cycling.org) or facebook: <http://www.facebook.com/ReadCycling>. If you have any enquiries, please feel free to contact Read-cycling at [enquiry@read-cycling.org](mailto:enquiry@read-cycling.org). Thank you.

Best regards,

Centre of Development and Resources for Students
