

**SERVICE 100 Fund Projects 2014 – 2015**

<b>Summer Round</b>						
<b>No.</b>	<b>Project Title</b>	<b>Project Summary</b>	<b>Project Period / Trip Date</b>	<b>Project Location</b>	<b>Number of HKU Students</b>	<b>Number and Type of Service Recipients</b>
1	Arts and Empowerment Workshop and Myanmar Week	Designed by Connecting Myanmar, the project team organised Arts and Empowerment Workshops for the refugees and migrants at Thai border to facilitate their self-expression, psychological well-being, and community building capacity. A Myanmar Week with charity bazaar, exhibition, video screening, forum, movie night, etc. was held in March 2015.	1 - 31 Jul, 2014	Thai-Myanmar Border	5	195 refugees in Cambodia and 215 general public in Hong Kong
2	Beyond Architecture: Hong Kong 2014	The projects improved the living conditions of five ethnic minority families in Hong Kong by simple renovation and furniture production for the families. In February 2015, an exhibition was also held to showcase the project objectives, process and outcomes to increase general public's understanding on the ethnic minorities in Hong Kong.	1 May, 2014 - 28 Feb, 2015	Hong Kong	23	5 ethnic minority families
3	Mongolia Expedition: June 2014	This was the annual service trip of Rotaract Club, HKUSU. In the trip, HKU students provided voluntary teaching to mentally and physically challenged students, and made visits to the National Cancer Centre, the Mongolian Association of Parents with Disabled Children, and Amnesty International.	2 - 11 Jun, 2014	Mongolia	30	50 physically and mentally challenged children, 12 cancer patients
4	Southeast Asians Supportive, Assimilating and Merging Education (SESAME)	The project promoted social inclusion of Southeast Asian children in Hong Kong through activities on Chinese learning, exploration of Hong Kong and experience of Chinese culture.	9 Jul, 2014 - 28 Feb, 2015	Hong Kong	32	20 ethnic minority children
5	We Are in Shaoguan Classroom	It was a 4-day service trip organised by Morrison Hall for its hall members with the aim to deliver love, care and happiness to the underprivileged students in Mainland China.	1 - 4 Jun, 2014	Shaoguan, China	24	240 students

6	Ignite the Dreams (Shandong)	In this service trip, 15 HKU students worked to inspire the interest of English learning of primary and secondary children in Shandong, China, through the organisation of English teaching activities on a variety of subjects, such as geography, culture, grammar and vocabulary.	4 - 15 Jan, 2015	Shandong, China	15	360 primary school and high school students
7	Kubatana Project Zimbabwe	The team had this one-month trip to Zimbabwe to organise teaching activities for local students in a rural village. Participants also made home visits to deliver the donation items collected in Hong Kong, visited the national park to learn about the conservation work, and had exchange with the professors of Monash University in South Africa.	3 - 31 Jul, 2014	Zimbabwe	7	550 students, teachers and unprivileged families
8	On Your Mark	The project enhanced the leadership and critical thinking skills of secondary school students in Hong Kong. During the 3 months of the programme, a leadership training camp and several drama, speaking and debate workshops were successfully organised for 20 secondary school students.	1 May - 23 Aug, 2014	Hong Kong	12	20 secondary school students
9	Propagating Science to Primary School Students Project	The Science Outreach Team of HKU organised visits to 9 primary schools in Hong Kong in 2015 summer to promote science knowledge and sparkle the interest of primary school students in Science through explanation and demonstration of different science experiments.	22 Jun - 8 Jul, 2015	Hong Kong	21	1360 primary school students
10	"Smart Scientists" Inter-School Quiz Competition	In order to promote science literacy in the community and inspire tomorrow's scientists, HKU Science Outreach Team organised this Interschool Quiz Competition for over 400 junior secondary school students in Hong Kong.	5 - 12 Jul, 2014	Hong Kong	5	438 secondary school students
11	Shoes-off Walkathon	This was the annual fund-raising event of China Education Association, HKUSU. By walking barefoot, participants experienced the hardship of the underprivileged students in the poor regions of China and got deeper understanding on the education situations in rural China. The donation raised was used to subsidize the tuition	1 Nov, 2014	Hong Kong	14	172 secondary school students and general public

		fee for high school students in Guizhou, China.				
12	School Bus, Library and Curriculum Service Project	The project was joined by 24 HKU students who were divided into two teams. One team carried out teaching activities, conducted basic teaching training and helped restore a village school library. Another team conducted nearly 100 interviews with local migrants, including students and workers, and possessed 20 of them into short stories of a children book.	1 - 12 Jan, 2015	Cambodia	24	95 students
13	Applying Baumrind's Theories of Parenting Styles to Internet Addiction Preventive Education for Primary School Parents	It was an education programme on internet addiction prevention, based on Baumrind's theories of parenting. Using a "train-the-trainer" approach, it equipped Hong Kong parents with attitude, knowledge and skills on conducting internet preventive education at home.	1 Jun, 2014 - 31 May, 2015	Hong Kong	11	281 parents of primary school students
14	Cultivating a Life-long Oral Healthcare for Students and Elderly Residents (CLOSER)	This project increased the awareness of oral health in the local community. Besides oral health talks for 1,800 secondary school students, 32 secondary school student helpers were recruited and trained to assist HKU students in the organisation of three dental outreach activities for 90 solitary elderly in the community.	1 Sep, 2014 - 1 Mar, 2015	Hong Kong	12	1800 secondary school students and teachers, and 90 elderly
15	Love in Society	This project helped promote and consolidate health knowledge among the grassroots ethnic minorities in Hong Kong. Through the organisation of workshops on three topics: (1) food & nutrition, (2) protection of eyes and backbone, and (3) family health care, 46 ethnic minorities benefited.	11 Oct - 2 Nov, 2014	Hong Kong	39	46 ethnic minorities
16	Pathfinder - Cambodia Service Trip	In this service trip, the project team built a water filter, several toilets and water sinks, as well as a solar power system for a local primary school, with the aim to improve the hygienic conditions and provide clean water for about 200 students. HKU volunteers also held health education workshops, had family visits, and cultural exchange with local students.	Pilot trip: 4 - 18 Jul, 2014; Service trip: 19 Jul - 2 Aug, 2014	Cambodia	10	700 primary school and secondary school students
17	Project Saukya 2014	Eight medical students joined this project to	29 May - 28	Sri Lanka	8	290 children,

		volunteer at a local hospital and a blind and deaf school where they organised health talks, teaching activities and workshops for local children. They also refurbished the garden of the Volunteers' Village to make a better living environment.	Jun, 2014			patients and general public
18	Science In Need	The primary objective of this project was to promote science to primary school students of Taiwan. During the 6 days, a team of 30 HKU Science students visited three local primary schools and organised science workshops with demonstrations and experiments for over 1,000 students.	10 -16 Jan, 2015	Taiwan	30	1392 primary school students
19	SpeechExpress Yongchun Language Camp 2014	The project boosted the confidence in English communication of high school students in Mainland China and provided them with a cross-cultural experience through a summer camp.	Pilot trip: 28 - 30 May, 2014; Service trip: 18 - 27 Aug, 2014	Fujian, China	8	66 middle school students
20	Fair Employment Campaign	The campaign promoted the concept of fair employment to the public, nurtured HKU students into ethical business leaders and encouraged social entrepreneurship in Hong Kong through firm visits, production of publicity materials, and organisation of the "Love to Have You Campaign".	1 Sep, 2014 - 30 Jun, 2015	Hong Kong	13	250 domestic helpers and general public
21	Health Exhibition 2014	It was the annual health exhibition organised by the Medical Society, HKUSU. This year, the theme was on gastrointestinal diseases and the event was held on two separate weekends in Ma On Shan and Kowloon City with exhibition, health checks, health seminars, health counselling and a free drawing competition.	18 - 19 Oct & 8 - 9 Nov, 2014	Hong Kong	12	4000 general public
22	Sai Ying Pun Seek & See	The project increased participants' awareness on HKU's neighbourhood through the medium of arts. A series of activities such as guided tour, sharing with local artists and workshops were organized for HKU student artists to explore Sai Ying Pun community, after which they created their own artworks related to the community for two exhibitions in Sai Ying Pun and HKU.	2 May - 28 Nov, 2014	Hong Kong	10	90 general public

<b>First Semester</b>						
<b>No.</b>	<b>Project Title</b>	<b>Project Summary</b>	<b>Project Period</b>	<b>Project Location</b>	<b>Number of HKU Students</b>	<b>Number and Type of Service Recipients</b>
1	BTP Hello Neverland Project 14 -15	“Hello Neverland” is a voluntary teaching project under Beyond the Pivot (BTP) in Hainan, China that supports local children to cultivate interest in study. During their stay, HKU volunteers arranged teaching activities in an interactive and innovative way for over 800 primary and secondary school students.	30 May -13 Jun, 2015	Hainan, China	15	810 students and teachers
2	BTP Into Miracle Project 14 - 15	Aimed to broaden the horizons of students in Inner Mongolia and improve their learning experience, HKU students organised voluntary teaching programme on oral English, art appreciation, science experiment, psychology and team building for two rural schools in Inner Mongolia that served over 700 primary and secondary school students.	Pilot trip: 24 - 30 Dec, 2015; Service trip: 27 May - 15 Jun, 2015	Inner Mongolia, China	16	780 students
3	BTP SinCere Project 14 - 15	The SinCere Project broadened the horizons of students from rural areas in Sichuan and enabled them to achieve better academic performance. During the trip, the team designed different teaching and learning activities for over 200 students, conducted home visits and held a celebration event on the Children's Day. Volunteers also made inspirational sharing sessions in six local schools.	30 May - 12 Jun, 2015	Sichuan, China	13	1238 primary school and middle school students
4	Dandelion Project 14 - 15	This was a joint university project that expanded the horizons of village students in China through teaching activities and mutual exchange. The project team organised two service trips to Guangxi in December 2014 and to Yunnan in June 2015, with voluntary teaching, home visits and cultural exchange activities.	Winter trip: 24 Dec, 2014 - 1 Jan, 2015; Summer trip: 1 - 16 Jun, 2015	Guangxi & Yunnan, China	10	83 primary school and 235 secondary school students
5	Heave Ho Semester Project	With the aim to promote social integration of ethnic minority in Hong Kong and increase HKU	17 Oct - 28 Nov, 2014	Hong Kong	19	12 primary school students

		students' understanding towards them, Campus YMCA - HKU project team organised a series of 6 workshops on "Respect and Self-discipline" for 12 South-east Asian primary school students.				
6	HKU Vermicomposting	Through vermicomposting, this pilot project helped decrease food waste on HKU campus by setting up worm bins at HKU rooftop garden. After decomposition of the organic waste by worms, the compost produced was then used for plantation on the rooftop garden. The team also received the visits of local students to promote understanding of vermicomposting.	1 Nov, 2014 - 31 May, 2015	Hong Kong	8	120 primary school and secondary school students
7	Ignite the dream (Guangdong) 2015	It was a 7-day English camp that aimed to improve the skills and interest of local students in Guangdong on learning English. Around 600 students were served.	4 - 10 Jan, 2015	Guangdong, China	9	600 secondary school students
8	Ignite the Dreams - Chongqing 2015	The project included two service trips to Chongqing with the aims to increase local students' interest in learning English and enhance their knowledge on other cultures. In total, over 2,000 secondary school students benefited from the voluntary teaching activities.	Winter trip 1: 5 - 17 Jan, 2015; Summer trip 2: 5 - 19 Jun, 2015	Chongqing, China	25	2140 secondary school students
9	Macau Service Trip	It was a two-day service trip to Macao organised by Golden Z Club, HKUSU. During their stay, HKU students visited the local NGOs and organised activities for children with mental disability and elderlies.	10 - 11 Jan, 2015	Macau	18	30 elderly and 12 children with mental disability
10	Migrant. Mission. Moved III	The project aimed to enhance the self-dignity, encourage self-actualization, and empower the migrant children in Mainland China. During their service trip in Yunnan, the team established a Mentorship Scheme between HKU students and local kids, organised some teaching activities for them and conducted several home visits.	2 - 13 Jun, 2015	Yunnan, China	22	78 primary school students
11	"Mystery" - A Service Trip to Myanmar	The project broadened the horizons of children in Myanmar and provided a platform for cultural exchange between Hong Kong and Myanmar students. Together with 12 local volunteers,	2 - 9 Jan, 2015	Yangon, Myanmar	26	40 orphans, 6 slum families and 80 deaf students

		HKU students organised voluntary teaching in an orphanage, helped the construction work of 6 families in the slum and visited a deaf school during the trip.				
12	Orientation Project	Joined by over 40 HKU students, the project increased the awareness and consciousness of HKU students on the needy people in our local community and provided them with an experience to organise their own service activities. After a “volunteering experience” with the disabled staff of U Deli, participants were divided into four teams to design and carry out their own service projects for the intellectually challenged adults, children with intelligent disability, new arrival families and the homeless respectively.	6 Oct, 2014 - 17 Feb, 2015	Hong Kong	43	26 adults and children with intellectual disability, 20 new arrival families and 15 homeless people
13	Pathfinder-Cambodia Service Trip 14 - 15	In this service trip, the project team provided maintenance and repair for the water and sanitation facilities set up by the previous team in Cambodia and visited several organisations and NGOs to form partnership for their upcoming projects.	21 Dec, 2014 - 3 Jan, 2015	Cambodia	12	200 primary school students
14	PEACE for Hanoi Children	Working together with Vietnamese volunteers, the project team organised interactive English lessons for over 100 children in Maison Chance. Moreover, they carried out simple research on topics such as NGO management, parental expectations on children and child labour in order to deepen their understanding on social issues with children in Vietnam.	26 Dec, 2014 - 6 Jan, 2015	Hanoi, Vietnam	11	106 children
15	Project VM	By organising a series of activities in and out of HKU that included art jamming (Vagina Jam), story writing (Stories Down There), mass campaign (One Billion Rising), movie screenings and drama (The Vagina Monologues), the project team tried to create changes on social attitude towards traditional gender stereotypes.	15 Sep, 2014 - 29 Mar, 2015	Hong Kong	17	230 HKU students and staff, 800 general public
16	Seed	The project focused on the left-behind children in Wuhan by developing their interest in learning through the organisation of a summer camp.	13 - 25 Jul, 2015	Wuhan, China	10	200 primary school students

		Around 200 students from two local primary schools joined. The team also arranged visits to 10 children's homes.				and 10 left-behind children
17	Senior Artist Project (SAP)	The project aimed to trigger the creative and artistic talents of the elderly living in HKU neighbourhood. HKU volunteers were recruited to assist the elderlies in making art creations, such as photography, drawing, painting, making name tags etc.	10 Feb - 13 Jun, 2015	Hong Kong	28	18 elderly
18	Bike-A-Thon 2014: Breaking the Cycle of Poverty	“Bike-A-Thon 2014: Breaking the Cycle of Poverty” was to raise awareness on the dignity and right to education for those in need among the youth in Hong Kong. 34 participants joined the event and raised a donation of HK\$2,000 for a NGO to help finance one of its supported orphans in Mainland China.	22 Nov, 2014	Hong Kong	8	34 general public
19	BTP Yonder Narnia Project 14 - 15	The project exposed children in rural area of Yunnan to information and knowledge that they have limited access to. A varieties of learning activities on reading and writing skills, poetry appreciation, sports competition, career orientation workshops, health and sanitation talks, performance, etc. were arranged for 90 students.	Winter trip: 21 - 27 Dec, 2014 & Summer trip: 1 - 14 Jun, 2015	Yunnan, China	13	90 primary school students
20	Winter Expedition 2014	This seven-day service trip to Henan provided an opportunity for HKU students to know more about the education conditions in rural China and to bring love and care to the underprivileged students. During the expedition, participants taught in several primary and secondary schools, had home visits and exchange with local volunteers and university students.	25 - 31 Dec, 2014	Henan, China	37	370 primary school and secondary school students
21	Better health, Better lives, Better future IV	The project team improved the health and sanitation conditions of over 150 orphans in Cambodia through the construction of water purification system, provision of health check and health education workshop. Moreover, HKU volunteers organised moral education, built a vegetable farm and repaired the rooftop in the local orphanages.	11 - 27 Jun, 2015	Cambodia	24	368 children and staff of local NGOs

22	BTP Go2Africa Program 14 - 15	The BTP project team continued organising two teams of volunteers to Ghana in 2015 summer to help build 4 latrines. They also delivered mosquito nets and provided over 20 classes of voluntary teaching to the local people in Ghana. It is estimated that around 800 children and villagers benefited from the project.	Pilot trip: 28 May - 6 Jun, 2015; First trip: 6 - 29 Jun, 2015; Second trip: 30 Jun - 21 Jul, 2015	Ghana	25	500 students and 300 local villagers
23	Vision of Inspiration and Child Empowerment (VOICE) - Ynnan Health Promotion and Education Programme	The mission of the project was "To educate, to heal and to inspire". The VOICE team met the mission through voluntary teaching to the local students. Volunteers also organised health checks, health education workshops, carnival for the villagers and had home visits. Around 800 local people were served.	3 - 11 Jun, 2015	Guangdong, China	20	600 primary school students and 200 local villagers
24	Love Art. Love Life.	The student team, Mind Workers, organised this mental health education programme with the aim to spread mental health message to the young people in Western District. A total of four experiential workshops using expressive art therapy were carried out for participants to learn to explore, express and relieve themselves.	14 -21 Mar, 2015 (Event dates: 14 & 21 Mar, 2015)	Hong Kong	4	15 teenagers
25	Drug Usage Information Day 2015	By organizing an information day, the team helped convey correct drug knowledge, promote drug safety and introduce the professional image of pharmacists to the public. During the day, there were seminars, exhibition, health check, counseling sessions and games. Around 2,000 general public joined.	17 - 18 Jan, 2015	Hong Kong	60	2000 general public
26	Food Label Education	It was an educational program that increased understanding and utilization of food labels among local families and facilitated their ultimate consumption of healthy food. Four talks and an information booth on reading nutrition labels and food packages with games were organised.	1 Feb, 7 Mar, 18 Apr & 25 Apr, 2015	Hong Kong	6	80 kindergarten children and their parents, 30 secondary school students
27	The Poem	"The Poem" was a life-book publishing event. HKU student volunteers were recruited to help collect stories from 20 elderlies based on the approach of "Reminiscence Therapy". Through	1 Jan - 1 Dec, 2015	Hong Kong	40	20 elderly

		the process, elderlies were reassured of their achievements in life and HKU students could show their care, concern and respect to the elderlies.				
28	Act to Change	The project used drama as a means of implicit learning to promote inclusion. HKU volunteers were provided with basic drama performing skills through 3 workshops, as well as information on history of western drama, inclusive education and positive education in Hong Kong context in three educational talk series.	30 Oct, 2014 - 30 Jun, 2015	Hong Kong	3	94 HKU students and general public
29	Aiding Age Estimation for Orphans in Guangxi, Mainland China	In this service trip, 4 HKU dentistry students conducted simple dental examination and treatment for the orphans and their caretakers in Guangxi. Moreover, they held oral health talks and workshops to improve their oral health knowledge. About 140 people benefited.	4 - 9 Apr, 2015	Guangxi, China	4	40 orphans and caretakers, 100 primary school students
30	Global Citizenship: A Revolution in Chinese Education	With the aims to promote internationalization, global citizenship and intra-regional knowledge sharing, six HKU students organised this trip in Guangdong in March 2015 to carry out home visits, made sharing at school morning assemblies with lesson observations and consultations with teachers. They also helped reorganize the English room and improved the learning system of the school.	9 - 13 Mar, 2015	Guangdong, China	6	100 primary school students, teachers and parents
31	PolicyDESK Youth Think Tank Project	PolicyDESK designed the Consultation Made Easy (CoME) toolkit to introduce Hong Kong students to public consultation and government policymaking process. Throughout the project period, the team produced seven printed and online Issue, four talks and salons, fourteen opinion pieces, and four youth engagement projects on its online platform. Moreover, it made seven consultation submissions to government after compiling, analyzing, and refining respondents' comments and discussions on the online platform.	1 Nov, 2014 - 30 Jun, 2015	Hong Kong	10	503 general public and 30,000 readers of the issue trackers

32	Southeast Asians Supportive, Assimilating and Merging Education (SESAME) 2015	The project promoted social inclusion of Southeast Asian students in Hong Kong through Chinese learning, exploration of Hong Kong and experience of Chinese culture. 9 different activities, including treasure hunt in HKU, festival celebrations, tram tour, city hunt of Hong Kong and a graduation ceremony, were organised for around 20 ethnic minority kids.	25 Jan - 21 Jun, 2015	Hong Kong	32	20 ethnic minority children
33	SpeechExpress Hong Kong Programmes 2015	SpeechExpress aimed to enable secondary school students to develop into competent English communicators and boost their confidence in public speaking. The project was divided into two parts. In part one, 30 HKU volunteers were recruited to deliver public speaking training to over 250 students in seven secondary schools in Hong Kong. In part 2, three volunteers visited Myanmar in June 2015 to deliver the training to around 100 students and new teachers. Moreover, a Mini Conference was organised on 11 Jul, 2015 for the secondary school students to practice and demonstrate their public speaking skills learnt.	Service trip: 15-27 June 2015; Mini conference: 11 Jul, 2015	Hong Kong & Myanmar	30	378 primary school and secondary school students

<b>Second Semester</b>						
<b>No.</b>	<b>Project Title</b>	<b>Project Nature</b>	<b>Project Period</b>	<b>Project Location</b>	<b>Number of HKU Students</b>	<b>Number and Type of Service Recipients</b>
1	Coffee Waiting Love II	The project promoted suspended meal culture by organising a coffee sale event at HKU in April, 2015. Over 270 cups of coffee were sold generating a revenue of HK\$4,000 for the purchase of meal tickets. On 6th June 2015, a home visit was held for 30 HKU students to deliver the suspended meal tickets to 20 solitary elderly in Yuen Long.	15 - 17 Apr, 2015 & 6 Jun, 2015	Hong Kong	8	270 HKU students and 20 solitary elderly
