## **Southeast Asians Supportive, Assimilating and Merging Education (SESAME)**

### **Come & Join us!**

The **SESAME** programme is now calling for enthusiastic and obliging students like you to join our team and get involved in a series of social, language and cultural activities with the ethnic minority students in our city throughout the second semester.

The **SESAME** programme is supported by Student Knowledge Exchange (KE) Project Grant, under SERVICE 100 Fund. We wish to promote **social inclusion through Chinese learning and daily life experience** in Hong Kong. We are pleased to collaborate with New Home Association (NHA), HOME Centre- Support Services for Ethnic Minorities.

Our volunteers will be the mentors leading a small group of P.3-S.3 ethnic minority students, to explore Hong Kong **through experiential learning in 9 sessions**. It is certainly a chance for you to step out of your comfort zone and get to know more about the living, customs and culture of ethnic minorities in Hong Kong.
