

## 香港大學「芝麻開門」- 南亞裔學生中文學習支援計劃

### Southeast Asians Supportive, Assimilating and Merging Education (SESAME)

The **SESAME** programme is now calling for enthusiastic and obliging students like you to join our team and get involved in a series of social and linguistics activities with the Southeast Asian students in our city throughout the first semester.

The **SESAME** programme is supported by Social Inclusion Activities Grants of HKU Class of '84 Social Inclusion Fund and SERVICE 100 Fund. We wish to promote **social inclusion through Chinese learning and daily life experience** in Hong Kong. We are pleased to collaborate with New Home Association (NHA), HOME Centre- Support Services for Ethnic Minorities.

Our volunteers will be the mentors leading a small group of P.3-S.3 Southeast Asian students, to explore Hong Kong **through experiential learning and research-proven linguistics theories in 8 sessions**. It is surely a chance for you to step out of your comfort zone and get to know more about the living, customs and culture of ethnic minorities in Hong Kong.
