Big Things Start Small
Campus Tour

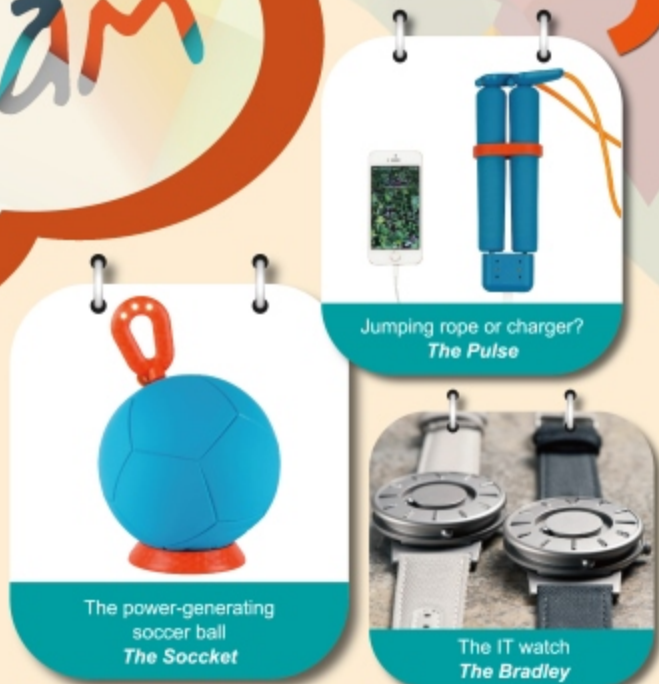

Don't miss it!

Social innovation is like a football..... or a straw.

When 1.3 billion people across the globe live without access to electricity, how does a football help?

Half of the schools around the world do not have clean water or adequate sanitation, how does a straw bring about changes?

All big things start small.

Please come to join the “Social Innovation Jam – Campus Tour” at

16 to 20 November – Main Library Outside Covered Area, HKU

The Social Innovation and Entrepreneurship Development Fund (SIE Fund) is holding “The Social Innovation Jam – Campus Tour” (Campus Tour) from 15th September to 20th November at eight tertiary institutions. To introduce how social innovation is addressing different social needs in the global and local context, it will showcase social innovation gadgets from overseas countries, as well as winning entries from of the Social Innovation Short Video Competition (SIVC). Let big things start small.
