

Dear Students,

You are cordially invited to join us as a volunteer of the [“Living on the Water”](#) programme, which will be held by [We Are With You \(WAY\) Project](#) at Stanley Community Hall in the period of 25 - 28 March 2016, to share the lived experiences of the water communities with the public. University students, general citizens and foreign visitors will share the fishermen’s stories through a series of activities such as exhibition, cultural tours, drama performances, video shows and workshops.

**About the “Living on the Water” programme:** <http://wp2.cedars.hku.hk/water>

**Event Dates:** 25 – 28 March 2016 (Friday to Monday)

**Event Time:** 10:00 – 17:00

**Duty Time:** Please sign up at the online registration link given below.

**Venue:** Stanley Community Hall (\* Pre-event preparation will take place at HKU on 22 – 23 March.)

**Duties:**

- Pre-event/post-event assistance (e.g. preparation, set-up/removal of exhibition etc.)
- Event assistance (e.g. venue logistics, reception, crowd control, handling enquiries from visitors etc.)
- Student guides for drama education: to lead interactive activities through methods of drama education under instructions (topics of interest including fishermen's marriage tradition and their family sentiments) [Remarks: Interested students will attend two meetings with instructors to prepare for the event. Meetings will be set up with interested students.]

**Briefing Session:** All selected volunteers will be required to attend a briefing session in the week of 21 March. They will be informed of the details in due course.

**Certificate and Recognition:** As a token of appreciation, you will be entitled a certificate after the voluntary service. Your service will also be counted in the reward scheme of CEDARS.

**Subsidies:** Transportation and/or meal subsidies will be provided for volunteers who help at Stanley Community Hall.

**We Are With You (WAY) Project** is a four-year community-based social capital development project in the Southern District. HKU students and staff will contribute to improve the condition of the less privileged and empower them to improve their own conditions in the long run. The ultimate goal is to develop a replicable model for social capital development, particularly with the involvement of staff and students of tertiary institutions.
